Dear Educator,

My name is Lonnie Beck and I am the co-owner of the Dragon Gym Malvern. We have a student in common, as well as some similar goals. I want my students to achieve the very best, not just in martial arts, but also in their everyday lives. It is important to me that they develop the skills to be happy, healthy and successful individuals.

An integral part of our martial arts program is to teach the students the importance of focus, respect and self-discipline. I am sure you would agree all of these are essential elements for the student's growth. As a result, I seek the opinions of the parents and teachers of each student at every belt promotion.

This means that every time a student is approaching his/her next belt test you will receive a "test form" → essentially a simple score sheet that informs us on how the student is doing in the classroom.

This form will be your opportunity to voice any difficulties our student may be having. We will hold a student's promotion until parents, teachers and I feel that the student's progress warrants such a reward. If you have something positive you would like to share, your feedback would be invaluable.

Please sign below and return this letter with our student in common if I can count on your participation. I look forward to working with you and hope that together we can help our students have a productive and rewarding year. Please call me at 610-295-8775 or email to Malvern@dragongym.com if you have questions or if I can be of any assistance.

Thank you for your time and attention.

Sincerely,

Lonnie Beck III

Dragon Gym

P.S. We are available to do school talks. In past school years, we have had positive responses to our classroom and assembly appearances and have several teacher references. This is an opportunity for us to communicate the mental benefits of focus, self-control, respect and self-discipline to your entire class. A school talk is a free talk in your classroom that is twenty to thirty minutes in length. The students will have no physical contact with each other. You can also pick a theme for the school talk that will complement your goals. If this sounds like something you are interested in please fill out the following information. Again, if you have any questions, please call me.
